Online Title Excalibur 6 Tray Performance Digital
Dehydrator, in Stainless Steel
(DH06SSSS13)

Online Title
(Short) Excalibur 6 Tray Performance Digital
Dehydrator, in Stainless Steel

Long
Description Preserve your food with the Excalibur
6 Tray Performance Digital
Dehydrator. This expertly crafted
stainless-steel dehydrator features
9.6 square feet of drying space and
includes six stainless steel trays,
offering plenty of space to meet all
your dehydrating needs. The
patented Hyperwave Technology
along with the Horizontal Parallelex Air
Flow fluctuates the temperature to
remove water from food with a
continuous circulation of
thermostatically controlled warm air
for even drying without tray rotation.
Set precise time and temperature
with the easy-to-use LED control
panel with temperature ranging from
85°F to 165°F for up to 80 hours. To
accommodate various drying
methods, this premium dehydrator
also allows you to set 2 different
drying phases at different times and
temperatures. In addition, the control
panel also features a progress bar
that provides a visual representation
of drying progress and the unit will
automatically shut off when drying is
complete. Monitor the drying process
without opening the door through the
top clear glass window. When drying
is complete, slide the hideaway door
